

Available Rail Apprenticeships Diagram @ December 2018

| | Level | 2 | 3 | 4 | 5 | 6 | 7 |
|-------------------------------|--|---|---|--|---|---|---|
| Rail Engineering | Apprenticeship Standard Title | Rail Engineering Operative (Ready for Delivery) | Rail Engineering Technician (Ready for Delivery) | Rail Engineering Advanced Technician (Ready for Delivery) | Rail & Rail Systems Engineer (Under Development) | Rail & Rail Systems Senior Engineer (Under Development) | Rail & Rail Systems Principal Engineer (Under Development) |
| | Specialist Options | Track T&RS OLE Signalling Telecoms Electrification | Track T&RS OLE Signalling Telecoms Electrification Rail Systems | Track T&RS OLE Signalling Telecoms Electrification Rail Systems | Rail Civils Track Signalling and Control systems Traction and Rolling Stock Telecoms, Networks and Digital Mechanical or Building Services Rail Systems Integration | Rail Civils Track Signalling and Control systems Traction and Rolling Stock Telecoms, Networks and Digital Mechanical or Building Services Rail Systems Integration | Rail Civils Track Signalling and Control systems Traction and Rolling Stock Telecoms, Networks and Digital Mechanical or Building Services Rail Systems Integration |
| | Apprenticeship Standard Title | | Rail Engineering Design Technician (Ready for Delivery) | High-Speed Rail & Infrastructure Advanced Technician | | | |
| | Specialist Options | | | Civil Engineering Track Systems Engineering and communications Rolling Stock Power Operations | | | |
| | Apprenticeship Standard Title | | | Rail Engineering Design Advanced Technician (Under Development) | | | |
| | Specialist Options | | | | | | |
| Transport Services | Apprenticeship Standard Title | | Train Driver (Ready for Delivery) | Passenger Transport Operations Manager (Waiting for funding band to be assigned) | Driver Manager (Under consideration) | | |
| | Specialist Options | | | | | | |
| | Apprenticeship Standard Title | Station and Onboard Team Member Bus, coach and Rail (Ready for delivery) | Transport Planning Technician (Ready for Delivery) | Driver Instructor (Under consideration) | | | |
| | Specialist Options | Station or Depot Onboard | | | | | |
| | Apprenticeship Standard Title | Rail Infrastructure Operations (Ready for Delivery) | | | | | |
| | Specialist Options | Signalling Operator Electrical Controller Incident Responder | | | Controller (Under consideration) | | |
| Apprenticeship Standard Title | Network Operations Schedulers, Network Performance (Waiting for funding band to be assigned) | | | | | | |
| Specialist Options | Schedulers Network Performance | | | | | | |
