

A Christmas Wish

from Lottie age 8

"My wish for Christmas is for mummy and daddy to be happy.

They have been arguing about money and mummy cries a lot. If I ask for only one present this year I hope that will help.

I have been a very good girl- Please make my wish come true."

This year we have helped hundreds of railway workers and families going through difficult times and financial hardship.

Lockdowns and isolation, job losses, changes in working patterns and reductions in income have left some families struggling to pay essential bills and living in fear of losing their homes.

This Christmas, we are aiming to raise £40,000 for our Children's Fund, which will allow us to support more than 130 UK rail families and children in need.
